Jawfish Restaurant Makes a Splash in Portland!

The Jawfish Restaurant at Sojourn Suites in Portland officially opened its doors on November 14, welcoming guests — and more than 30 new team members — to dive into this exciting new culinary adventure.

As part of onboarding, our new Jawfish crew cooked up some fun with a restaurant scavenger hunt that got everyone exploring the space, learning procedures, and bonding as a team. Split into seven groups, participants completed creative challenges like finding safety stations, snapping selfies with managers, identifying menu favorites, and even building food sculptures from napkins and condiments!

From laughs over mispronounced menu items to learning Vesta's seven values, the scavenger hunt turned orientation into an unforgettable team-building experience — setting the tone for a culture of connection, fun, and great service at Jawfish.

Team Spotlight: Megan Masters Shines at AC Hotel Vancouver Waterfront

If you've ever checked in at the AC Hotel Vancouver Waterfront, chances are you've been greeted by the friendly smile of Megan Masters, our Front Desk Supervisor.

Megan has been part of the Vesta family for nearly three years, bringing her energy and dedication to multiple roles — from Front Desk Associate to Sales & Catering Associate, and now back to the front of house, where her true passion lies.

Megan thrives on connecting with guests and creating memorable experiences from the very first hello. She's known for her can-do attitude, willingness to jump in on special projects, and her consistently positive, kind demeanor that uplifts both guests and teammates alike. Megan's favorite Vesta Value is "communicate and collaborate" because she feels that it is essential at the front desk and they wouldn't be able to function well without proper communication and teamwork.

Her journey at the AC Hotel is a great reminder that when we follow what we love — and bring enthusiasm to every task — it shines through in everything we do.

Living Our Vision, Every Day

At Vesta, our vision is simple yet powerful: "To have every person associated with Vesta benefit from its relationship and have respect for its connection."

A vision statement isn't just words on a wall—it's our North Star. It reminds us why we do what we do and how we treat one another. Whether you're greeting a guest, fixing a leaky faucet, serving breakfast, or leading a team meeting, each interaction is a chance to bring our vision to life.

When we help a coworker, listen to a guest's story, or support a new hire's success, we create the kind of connections our vision describes—relationships built on respect and care.

Our goal is that everyone—guests, partners, and every member of our Vesta family—walks away feeling valued. That's how we know our vision isn't just something we say, it's something we live.
